

U3A Knitting & Crochet Group

The Knitting & Crochet Group of Gloucester District U3A, led by tutors Lorraine Forbes and Jess Burley, has been so popular during the year that the group have decided that they want to continue with the course in 2014. With the help of the tutors, the women will continue to work on their own projects, but they have all agreed that they would also like to work on some combined projects as well.

First term will see the group learning to crochet tea cosies and milk and cream jug covers ready for the 100th Gloucester Show, as well as crocheted flowers to be used for decorations.

In term two the group will be working on knitted or crocheted squares for rugs. One rug will consist of squares incorporating animals either worked into the square or embroidered later. This rug will be raffled to raise funds for a local charity. The other squares will be put together for “wrap with love” rugs.

The group members would love to see more ladies (or men) join us for a fun filled afternoon of learning and friendship every fortnight during U3A terms. If you are not currently a member then think about joining U3A – there are many courses on offer for 2014.
